Prayer Concerns and Joys:

We celebrate the birth of Rennie Allison Arnold, daughter of Courtney and Taylor Arnold, born September 1. Grandparents are Debby (Alexander) and Bill Arnold. Great-grandparents are Carol and Denny Alexander.

We pray for the family and friends of Cherry Chandler following her death on September 8.

We pray for an end to systemic racism and for justice and equality for people of color in our community, our nation, and around the world.

We hold in prayer those with the coronavirus, those who care for them, and those who are suffering from anxiety during this time.

As a Global Ministries Congregation, we pray this week for Fiji and Mission Coworker R.J. Howard.
